FREEDOM

Freedom can be shown in many ways — the way we act, the way we speak, and even our facial expressions. We choose our friends, our beliefs, and, ultimately, our choices in life. We are free to learn from others, but most of all we are free to be ourselves. Each of us is an individual — unique because each of us is so different. But it is those differences that blend together to make the CLASS OF 1984.

COACH'S COMMENTS

The 1983 edition of the Runnin' Lions baseball team proved to be a very successful and hard working group. Nearly all team goals were reached throughout the course of the season. The 8-5 won/lost record was truly a team effort with all lettermen contributing greatly to the success. The lettermen and their accomplishments include:

Jerry Springmeyer: Co-MVP; Team Batting Champion

Marty Williamson: Co-MVP

Jim Barnfield: All MTC Conference; led team in steals

Paul Hill: Mr. Baseball Award; tied for most hits

Gilbert Simmons: best on base percentage

Mike Springmeyer: Golden Glove Winner; tied for most hits

Steve Conard: Most sacrifices (tie)

Jeff Springmeyer: Most triples

John Winters: Most pitching victories

Darrin Atteberry: Most sacrifices (tie)

The highlight of the season was when the team finished second in the MTC Tourney. Although the loss of five seniors will be missed, the future still looks bright for baseball at CHS. Along with the five returning lettermen, several other underclassmen made improvements in 1983 and hope to continue the success in 1984.

COACH'S COMMENTS

Waiting patiently

As an organized and funded sport, this was the last year for x-country. Even though all the athletes were of the young and inexperienced level, we ran most of our meets at the varsity level while gaining a lot of experience for the future. Darrin Arteberry, a sophomore, made it through the IHSA regionals for the second year in a row and got to run in the IHSA sectional meet at Lebanon, IL. While our varsity performances were not too outstanding through the course of the year, our performance in the fresh/soph division at the MTC meet was tremendous. Cisne's team won the fresh/soph championship. That team was comprised of sophomores Darrin Arteberry, John Winters, Heath Taylor, Steve Conard, Bob Beehn and freshman Mark Moore.

COACH'S COMMENT

The basketball program at Cisne High School is definitely on the upswing as can be attested to the overall records of both the J.V. and Varsity. The year before, the J.V. record was 4-14 and the Varsity record was 3-20. If one was to combine those together along with the F/S record of 2-1, you would get a 9-35 record.

This year the J.V. record was improved to 7-11, while the Varsity record was also improved to 11-13. The Fr./So. year went 1-2. Now you would get a total program production of 19-25, a very dramatic improvement. That is what it is about when trying to build a program back again. An extra incentive is the fact that we made this improvement with a very young team. The two seniors — Rod Byars who was completely superb, and Gilbert Simmons who worked very hard to make the team and ended up starting — were probably the main reasons why this year's team was as good as it was.

We always started three sophomores and sometimes four with the seniors and all year long we were complimented for being tremendously competitive. This, of course, was attributed to the hard work and long hours that all of our young men put into the game of basketball, and I, as their coach, would like sometimes to think that they were proud to be "A CISNE HIGH SCHOOL RUNNIN' LION!"

COACH'S COMMENTS

Jerry Springmeyer

Jeff Springmeyer

This was a very good year for "rebuilding the track and field program at CHS." We had three seniors who were all 4 year letter winners on this year's team — Paul Hill, Jerry Springmeyer, and Jim Barnfield. So, our team was comprised of several underclassmen. Through the course of the year, we had many outstanding performances.

Bill Stopher as a sophomore ran extremely well in the 110 and high hurdles; his best time was 16:16 and his best performance was 4th place finish at McLeansboro in the IHSA sectional meet.

Jim Barnfield as a senior closed out his career extremely well. He surpassed 100 points in a season for the 4th straight year which placed him at the top for the all-time point total in a career. He ran his specialty event, the 300 meter low hurdles, with a lot of devotion and surpassed his own school record 3 times through the course of the year.

Everyone else through the course of the season improved on their own career records. Paul Hill threw 43'6 1/4" in the shot. Jerry Springmeyer cleared 11'0" in the pole vault several times this season. John Backstrom obtained 2:18 in the 800 meter run. Rob Walker reached 61 seconds in the 400 meter dash. Darin Atteberry jumped 39'3" in the triple jump and high jumped 5'10". Brian Bullard ran 59.5 in the 400 meter dash while Andy Atwood reached 10'6" in the pole vault. Tim Shreve in just his first season of track ran a good time of 2:12 in the 800 meter and a 5:10 in the 1600 meter run. Steve Conard came on to find he had ability in several events: low hurdles, long jump, triple jump, pole vault, 800 meter, and 400 meter runs. Jim Walker, Marty Smith, Jamie Block, and Kent Glover all found themselves improving throughout the year.

Coach Ed Chappell

Jimmy Walker, John Backstrom, and Bill Stopher prove there is more to track than just running.

INDIVIDUALISM IS . . .

Being at the end of the alphabet.

Always smiling, no matter what.

Sharing your thoughts.

Having a good time.

Accepting one another.

Not being afraid to show your face!

For those in the Class of 1984 who have run their last race, played their last varsity game, taken their last turn at bat, or made that final grade, this book is dedicated. You have been a unique blend of 31 individuals. It is this individualism that we have tried to stress throughout this yearbook. Individualism is a unique quality that is important to the students at CHS. Therefore, the annual staff has put together a book of memories to show the many different styles and attitudes of the students.

Special thanks go to Mrs. Tadlock for her help with the cover and to Wayland Slater for the many pictures he has taken to capture our individualism. The biggest thanks goes to you — the student body — for making this a memorable year.
